

Lamp Packaging Guidelines

Do:

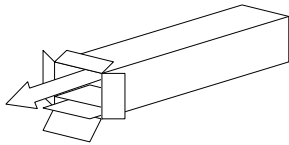

- § Package lamps tightly without separators or any other packaging materials.

- § Place partially filled boxes on top of the pallet.

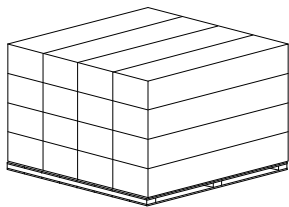

- § Keep lamps dry.

- § Empty boxes of all packing materials before refilling.

- § Use a 42" x 48" pallet for 4-foot lamps.

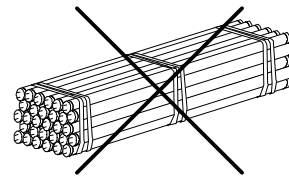

- § Secure boxes by shrink-wrapping directly to the pallet.

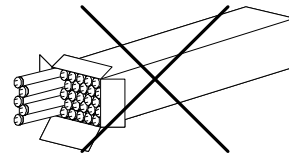

If you have any questions, please call 610.797.7608.

Don't:

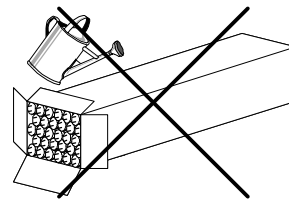

- § Don't tape lamps together.

- § Don't pack different lengths together.

- § Don't allow lamp boxes to get wet.

- § Don't place debris of any type in the lamp boxes.
