

FOR IMMEDIATE RELEASE

AERC Recycling Solutions Hosts a Free Electronics Recycling Collection Events at ACCESS Self Storage in Manalapan and Lawrenceville locations in New Jersey on July 23

Flanders, NJ – July 5, 2011 – AERC Recycling Solutions is hosting two free Electronics Recycling Collection Events at ACCESS Self Storage locations in Manalapan and Lawrenceville, New Jersey. The events will take place on July 23 at these ACCESS Self Storage locations between 9AM and 12PM and 1PM and 4PM. These events are open to residents and small business owners of New Jersey. There is no fee for participating in these events.

FREE Electronics Recycling Collection Events currently scheduled with ACCESS Self Storage in New Jersey:

Saturday, July 23 - 9:00 AM – 12:00 PM
ACCESS Self Storage Manalapan
100 Madison Avenue (West of Knob Hill off of Highway 33)
Manalapan, New Jersey 07726

Saturday, July 23 - 1:00 PM – 4:00 PM
ACCESS Self Storage Lawrenceville
300 Lawrence Station Road
Lawrenceville, NJ 08648

These events are open to New Jersey residents and small businesses with small quantities of electronics for recycling. Acceptable Electronic Waste materials include printers, scanners, CPUs, laptops, internal computer components, telephones, telecommunication equipment, cameras, radios, modems, pagers, VCRs, DVD players, hand held games, computer accessories and peripherals, cables and cords. For a complete list of acceptable materials please refer to www.com-cycle.com or call AERC toll free at 866-447-5177.

AERC Recycling Solutions provides a solution for end-of-life electronics by adhering to a Zero-Waste-to-Landfill Policy on all accepted electronics and completely destroying any data contained on any accepted data storage device, such as a hard drive.

All accepted electronics are processed at AERC's local Electronics Processing Facility, Com-Cycle, in Allentown, PA. This facility is NAID Certified and is in the process of obtaining R2/RIOS Certification, expecting to be listed as a Certified Electronics Recycler® in 2011. AERC stands out as the first company in the industry which now combines the rigorous permitting process under the Resource Conservation Recovery Act (RCRA) for Hazardous Waste handling and processing as well as meeting the standards set by the R2 and RIOS Certification Programs.

Celebrating 20 Years of Environmental Service

"We are committed to a green world by helping clients in proper end-of-life management of assets containing sensitive data and components hazardous to our environment."

3 Gold Mine Road, Flanders, NJ 07836 Office: 973.691.3200 Fax: 973.691.3233

Throughout the year, AERC offers members of its local communities other opportunities to recycle electronics. Individuals and small business owners may participate in any of AERC's Electronics Recycling Collection Events hosted at municipalities, retailers and corporations throughout the country. All AERC facilities have Drop Off Friday Hours every Friday from 9AM – 4PM. Local residents utilizing our facilities in New Jersey, Pennsylvania, Virginia, Florida, Texas and California are welcome to drop off recyclable electronics. In Flanders, NJ, these Drop Off Friday Hours have been extended to Monday to Friday. In the state of New Jersey, AERC has also developed a growing network of partnering drop off locations throughout the state in an effort to offer convenient options for individuals and small business owners who have electronics for recycling.

To see a complete list of AERC's Partnering Drop Off locations, please visit www.aerc.com/greenzone. For more information about how to recycle Electronic Waste in New Jersey, you may also call AERC Recycling Solutions at 973-691-3200 (Toll Free 866-447-5177) or send an e-mail to info@aercrecycling.com. If your organization is interested in participating in this program by having an Electronics Recycling Collection Event or having your location serve as a partnering drop off location, please contact AERC.

About AERC Recycling Solutions

AERC Recycling Solutions is committed to a green world by helping clients in proper end-of-life management of assets, including those containing sensitive data and components hazardous to our environment. AERC has become an industry leader through its partnerships with clients by providing unmatched convenience, regulatory compliance and expert consulting to handle Electronic Waste issues. AERC is committed to responsible recycling practices for a healthier tomorrow.

AERC maintains a Zero-Waste-to-Landfill Policy for all of its hazardous electronics / electrical recycling services. AERC owns and operates five wholly owned Electronics Processing Com-Cycle facilities in five separate geographic locations. AERC's Com-Cycle facilities in Ashland, VA, West Melbourne, FL, Houston, TX, and Hayward, CA are each classified as Certified Electronics Recycler® facilities, independently certified to both the R2 and RIOS standards. AERC is committed to certifying all five electronics recycling facilities. All electronics are dismantled domestically by our highly trained staff. Any information on data storage devices is either wiped to the standards set by the Department of Defense or physically destroyed. AERC offers its clients compliance with Federal, State, and Local regulations. For additional information please visit www.aercrecycling.com or www.com-cycle.com.
